Swim-spa

3x Seats + Swim area
4660 x 2300 x 1550mm

16x Jets

3KW Heater

The '**Cosmopolitan**' is the jewel in The Garden Range collection. A unique feature is the 12 speed, high volume turbine, which delivers a personally tailored challenge for swimmers of all levels.

Additionally, the rear of the swim-spa features 53 hydro-massage jets which are powered by two 3HP pumps. This provides the users with a resting area that creates a highly relaxing experience which can be enjoyed after a high-intensity swim. The Cosmopolitan is an impressive, high quality, highly functional swim spa.
